

ROBERT FRANK STAFF

We were almost too young to really remember our Dad, but he has been sorely missed for all the events throughout our lives.

The great pity is Mum never knew his final resting place. He was a great Aussie Rules player for, Frankston in the Peninsula League, winning "Best and Fairest Kirton Medal 1936" and both Chelsea and Mentone in the then Federal League. He was to try out for North Melbourne but joined HMAS SYDNEY on Her return from the Mediterranean.

WE AND ALL OUR FAMILY TAKE GREAT PRIDE IN HIS SERVICE TO HIS COUNTRY.
